Gents Weekly Competition Guide

Grade prizes for all Gents weekly competitions will be calculated based on the number of cards returned in that section. Neither entry fees from other grades, nor entry fees from other competitions, shall be used to make up any shortfall within a grade. This will ensure that club competitions can remain profitable while also ensuring equality of prizes relative to the support a particular grade receives.

It is the responsibility of the Competitions Committee to regularly review the handicaps ranges for each grade, and should they be required, propose any alterations to the main committee which are needed in order to address any grade which repeatedly fails to achieve a return of twenty or more cards.
